## Ladies Auxiliary

As many of you may or may not know in September of 2012 we reorganized our Ladies Auxiliary. Over the past 6 years we have not only grown as an Auxiliary, but as a more family-oriented Sportsman's Club as a whole. We have increased our number of family friendly events and fundraisers to help build our new playground set, which was completed in the spring of 2015. We are continuing to fundraise to help raise funds for our newest additions to our playground area. The Auxiliary would like to THANK Everyone who has supported our efforts this far and purchased Merchandise with our last pre-sale. We have been approved to add border around the swings along with mulch and pads under the swings. We have also got the approval to add another playset to our area, more for the use of younger/ toddler aged children. This set will be purchased pre-made, we will also be adding border and mulch in this area. The combined cost for both areas will cost approximately \$6200. Our Auxiliary is open to anyone Male or Female who wants to be involved with planning our family friendly events. If you are not available for meetings, but still want to be involved we have created a Private Auxiliary Page or you can Friend Blair Game Aux on Facebook. Here is where you can find an overview of what went on during the meetings and also other discussions that come up between meetings. We would love to welcome everyone into the auxiliary. The Auxiliary meets the Second Thursday of each month at 6:30pm in the Lodge.
